The Harry Schuster Service Award

This award honors founding member Harry Schuster, APLD. He was well known and loved for his enthusiasm, his mentoring of many designers and his boundless energy for recruiting new members. Tragically his life ended much too soon. This award is to be presented to a current member in good standing who exhibits enthusiasm and selfless efforts towards furthering the mission of APLD either nationally or internationally. Any member may nominate another to receive this award by completing the nomination form. Nominees will be considered annually by a Selection Committee. Currently seated APLD Board members are ineligible to receive this award. The award does not have to be awarded on an annual basis. Nominations should be postmarked no later than **March 31** to be considered for that year's award ceremony.
